

# SOMALI ADULT LITERACY TRAINING

Serving Refugee & Immigrant Neighbors Together

## Sharing Jesus with our Somali neighbors through literacy and friendship

### What is Somali Adult Literacy Training?

Our Somali neighbors have escaped civil war violence and extreme hardship in refugee camps. Now they are learning English, how to survive Minnesota weather and to thrive in our economy.

### Make an Impact as a SALT Volunteer

Join us, with the love of Jesus, in welcoming our new neighbors. Consider meeting with a Somali man or woman once a week to build friendships as you help them learn English and achieve other goals like citizenship and employment. Your job is to learn their name, their family, their story and their goals. As you pray and coach them in literacy and English, you will help them become successful. In turn, you will share your story and have the joy of seeing their life and your own transformed.
