Gaining techniques for teaching oral skills

1 Day Workshop—8 hours of training

[Face-to-Face and Virtual Participation Available]

Saturday, April 4, 2020

Workshop Objectives:

- Identify various types of speaking skills learners need to master
- Discover effective techniques and strategies for teaching conversational skills
- Understand the basics of the English pronunciation system
- Learn how to begin to teach pronunciation as part of your lessons
- Understand the basics of teaching listening comprehension including best practices for adapting listening materials

Workshop Topics:

- Teaching Conversation / Speaking
- Teaching English Pronunciation
- Teaching Listening Comprehension

Rationale:

This 1-day workshop can be combined with two other modules (101 & 103) for a 30 hour Reach Out with English (ROWE) certificate—equivalent to the 1-week intensive course.

FAQs

How can a 1-day workshop help me?

Training is essential for a credible, effective ESL teaching ministry. The carefully sequenced 1-day workshop format is designed to be a first step or the next step after conferences which provide more of a “smorgasbord.”

How much does the workshop cost? \$95 for registration postmarked on or before March 23, \$115 after March 23. Special rates for past ROWE participants & WC students. Virtual participation is available. If interested in this option, contact Dianne Dow at Dianne.Dow@wheaton.edu for more information about logistics and cost.

What’s included in the cost? Workshop sessions, course materials, link to Dropbox site with additional materials, snacks and lunch.

When is payment due? \$25 non-refundable deposit due with registration, remaining balance on April 4.

Will I receive a certificate? Certificate of attendance awarded upon completion.

How do I register? Registration form available on our website.
