

Models for Church Gardening Projects

- **Food Shelf/Giving Garden**
Church members garden together and donate the produce grown to a local food shelf.

- **Refugee Garden/Welcoming Garden**
Church offers gardening plots for refugees on church property.

- **Combination Gardens**
 1. Church offers plots to refugees and garden some plots for food shelf donation.
 2. Church offers plots to both refugees and the surrounding community.

- **Off-site Gardens**
Church sponsors a refugee garden at rental apartment building or other property near the church or near refugees.

- **Home Garden**
Church member(s) offers garden space in yard to refugees.

- **Create Your Own**
Be creative! Brainstorm and come up with other ideas that are unique to your church and your members. Be sure to share them with us.
