— THE BENEFITS OF RENTING TO REFUGEES —

Refugees are connected to case managers to help them financially with rent, find jobs, etc. Tenants will be well connected to resources to help them be reliable renters.

An opportunity to support your community in a new and meaningful way.

Consistent referrals for new tenants, through a strong partnership with Arrive Ministries, maintain occupied units with little to no loss of revenue for empty units.

— WHO IS ARRIVE MINISTRIES? —

Arrive Ministries is a federally-funded refugee resettlement agency. Since 1988, Arrive Ministries has resettled 11,000 refugees across Minnesota; our services include: housing support, job placement, school enrollment, English classes, orientations to U.S. culture and public transit.
