Statement of Faith

WE BELIEVE:

- The Bible to be the inspired, the only infallible, authoritative Word of God.
- That there is one God, eternally existent in three persons: Father, Son and Holy Spirit.
- In the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- That for the salvation of lost and sinful people, regeneration by the Holy Spirit is absolutely essential.
- In the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
- In the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- In the spiritual unity of believers in our Lord Jesus Christ.

Volunteer Policies

Background Check

All Arrive Ministries representatives 18 years or older must pass a Criminal Background Check in order to volunteer.

Driving

The safety and well-being of drivers and all passengers is of critical importance. Volunteers providing transportation to clients play an important role as an example of safe driving.

- All volunteers must pass a Motor Vehicle Records check in order to transport clients.
- All volunteers must have a valid driver's license and insurance that meets the minimum state requirements in order to transport clients.
- Car seats and seat belts must be used.
- Serious misuse of vehicle and/or inappropriate driving behavior may be grounds for dismissal.

Confidentiality

Arrive Ministries recognizes confidentiality as a living principle based on the sanctity and dignity of the human person. Therefore, Arrive Ministries will respect the privacy of personal information of those it serves. Each volunteer's privacy is also protected.

- Arrive Ministries representatives are responsible for maintaining confidentiality of all information they are exposed to. This information may involve a volunteer, client, and others.
- Care should be taken when using written or recorded communication like texts, voicemails, and emails, or any identifying information about the client you are working with.
- Any client information including names, addresses, phone numbers and other data should not be shared without their informed consent.
- Permission must be sought from clients when there is an intention to use their names, stories, or images on social media or any other public platform. We wish to avoid a situation where a client may feel that they cannot say no to you because of your position with Arrive Ministries, where they are receiving services.
- Arrive Ministries will not share any client information with volunteers unless the client has agreed to receive volunteer services.
- Failure to maintain confidentiality shall result in termination or appropriate corrective action will be taken.

Prevention of Sexual Exploitation and Abuse

Arrive Ministries has a zero-tolerance policy for exploitative and abusive relationships. Arrive Ministries will ensure the fulfillment of our moral obligation to protect minor children and other vulnerable members of society from abuse, exploitation, neglect, and other forms of violence.

Sexual Abuse and Sexual Exploitation are related terms, but they do have subtle distinctions, mainly those concerning the power differential between the individuals involved:

- *Sexual abuse is any actual or threatened physical intrusion of a sexual nature, whether by force or under unequal or coercive conditions.*
- *Sexual exploitation is any actual or attempted abuse of position of vulnerability, differential power, or trust, for sexual purposes, including but not limited to, profiting monetarily, socially, or politically from the sexual exploitation of another.*
- Sexual exploitation and abuse by Arrive Ministries representatives constitutes an act of gross misconduct and is therefore grounds for termination of engagement. Sexual relationships between Arrive Ministries representatives and beneficiaries are prohibited.
- Sexual activity with children is prohibited regardless of the age of majority or age of consent locally. Mistaken belief in the age of a child is not a defense.
- Arrive Ministries representatives are obliged to create and maintain an environment which prevents all forms of sexual exploitation and abuse and promotes implementation of this code of conduct.

Working with Minors

Minors are defined as any youth under the age of 18.

- No physical restraint or horseplay. Keep physical contact to a minimum. Things like handholding to cross the street are appropriate.
- Monitor your self-disclosure and your language.
- There should be no isolated one-on-one activity with minors, as that can be misinterpreted. Activities with minors should be conducted in a public setting as often as possible, in groups, or with a parent or guardian present.
- Do not give rides or engage in one-on-one outings or meetings with a minor independently.
- As much as possible, have face-to-face greetings and debriefs with the minor's parents or guardians.
- Treat all children with respect, creating an environment for children to safely and meaningfully participate in decisions that involve them.

Reporting

- Where an Arrive Ministries representative develops concerns or suspicions regarding abuse or sexual exploitation by another representative, he or she must report such concerns to Arrive Ministries staff.
- Arrive Ministries representatives have the responsibility to report any concerns about actual or suspected violations of Arrive Ministries' policies or any federal, state or municipal law or regulation governing Arrive Ministries operations to Arrive Ministries staff.
- Anyone reporting a concern must act in good faith and have reasonable grounds for believing the information disclosed indicates a violation of law and/or ethical standards.
- Arrive Ministries shall take reasonable steps to protect the identity of individuals and keep reports of concerns confidential to the extent possible, following internal organization policies or practices.

Non-Proselytizing

Arrive Ministries is dedicated to mobilizing the church to live out God's command to welcome refugees and immigrants. Our Christian faith is an integral part of who we are as an organization. Our programs and services are offered equally to all eligible individuals solely on the basis of need.

We do not discriminate in the provision of services based on religion, among other criteria. Our program beneficiaries are not required to profess a certain faith, nor are they required to participate in religious activities in order to receive services. The profession of a particular faith will not secure preferential treatment or additional benefits of any kind for the participant or beneficiary.

As an organization, we do not condone proselytization, which is the use of coercion to force someone to convert to a particular religion.

In serving clients, many of whom have experienced traumatizing situations including persecution, it is vital that all staff, volunteers, interns, and contractors be particularly sensitive to avoid even implied expectations of religious conformity. Be mindful and respectful of the cultural context and faith traditions of those individuals whom we serve. Whether an individual is a Christian or not, and whether we believe they may ever become a Christian or not, our policy is to provide the same caring service to all.

Potential Health Risks

Arrive Ministries clients may have communicable diseases (including but not limited to tuberculosis, hepatitis, HIV/AIDS, etc.) Volunteers should use the following Universal Health Precautions when interacting with clients:

- Avoid contact with blood and bodily fluids
- Use gloves when administering first aid
- Wash hands before and after contact

Arrive Ministries may suspend volunteer activities in order to safeguard public health.

Volunteers are not permitted to volunteer in any capacity that involves contact with others if they have symptoms of illness.

WORLD RELIEF

MISSION, VISION, VALUES, & STATEMENT OF FAITH

MISSION, VISION, & VALUES

World Relief is fostering a movement among local churches to create a welcoming community where refugees and immigrants thrive. In community with the local church, we envision the most vulnerable people transformed economically, socially, and spiritually. These are our core values:

THE EXAMPLE OF JESUS

We serve those who are suffering from poverty and injustice, regardless of color, belief, or gender, as part of God's plan to redeem, reconcile, and restore the world. We seek to follow Jesus by living holy, humble, and honest lives individually and corporately.

PEOPLE

Staff, volunteers, clients, beneficiaries, donors, and partners are all important actors in fostering peace, love, and justice. We recognize and affirm World Relief as a multicultural organization and seek to understand and respect the multiplicity of cultures among us. As we seek change in the world, we recognize that we, too, are changed, by those we serve.

EXCELLENCE & IMPROVEMENT

In all our program initiatives and support services, following best practices and standards in a manner that is sustainable to the community from a spiritual, social, and economic perspective. We also seek to apply our human and financial resources in ways that maximize impact and sustain benefits to the greatest number of people.

EMPOWERMENT

By prioritizing the leadership and participation of those we serve, whether people, churches, or local institutions, as critical to creating and sustaining change. We seek to catalyze a movement of worldwide volunteers to multiply impact, and we value capacity building as a means towards that end.

PARTNERSHIP

By seeking, facilitating, and promoting collaboration among all stakeholders, including local governments, the worldwide church, mission agencies, other NGO's, and the business community, recognizing partnership as essential to serving the most vulnerable. We believe each expression of the worldwide Church has a unique and interdependent role in bringing peace and justice to the world.

PRAYER

As the priority and foundational to accomplishing our mission.
